British Values at St James' Church of England School

Democracy

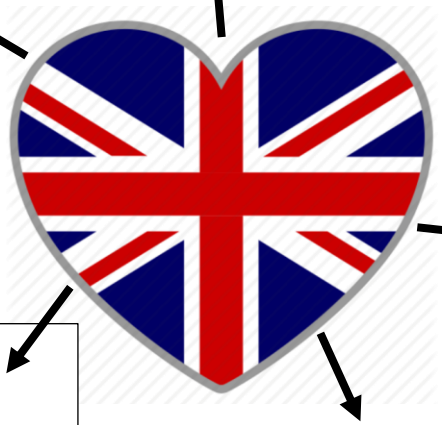

Our children all have a voice as an inclusive school we facilitate the voice of all pupils. Team captains are voted in by their peers and have a particular role to play in key school decisions.

Mutual Respect

Our children learn about respect as one of our key values. They learn how to respect themselves and show respect for others and respect for our school.

Individual Liberty

Our children learn to express their thoughts, feeling and opinions in a respectful way. Class collective worships provide a forum for children to share their own opinions and our curriculum encourages independent thinking.

Rule of law

Our children are all familiar with our school values of Grateful, Respectful, Our Best and Welcome. Our values are linked to responsibility the reason for these responsibility are explain to the children through scripture and example.

Tolerance of those with different faiths and beliefs

Our children are privileged to be growing up in a diverse society. Our school value of welcoming gives the children the responsibility to welcome all others and to welcome new opportunities.
